

Token Submission: Switch (ESH)

Firstly, the challenger's claim is against the [listing criteria](#) which says **"The token symbol should be a transparent PNG"**. The transparent logo of the token exists and must be used to fully comply with the listing criteria. The transparent logo can be seen in these official sources:

- Official GitHub repository of Switch:
 - <https://raw.githubusercontent.com/Mshuu/switchdex/development/public/assets/icons/icon-128x128.png>
 - <https://github.com/Mshuu/switchdex/blob/development/public/favicons/favicon-144.png>
- Official project website of Switch: <https://switch.ag>

Secondly, the challenger's claim that **"Most commonly used logo is not transparent"** is not correct. You can see the transparent logo in many sources such as:
