

## RECIPIENT ACCEPTANCE CRITERIA

- All recipient submissions must be public goods projects benefiting the Ethereum Ecosystem, as defined in the [clr.fund constitution](#).
- Submission names should match the common name of the would-be recipient
- Submission descriptions should succinctly describe the recipient. URIs to additional content are allowed.
- Logo image should be a square (1:1) PNG file with a maximum size of 400KB.
- The recipient address should be verifiably controlled by the recipient. Proof (e.g. social media proof) should be included in the description.
- In case of duplicates, only the first submission should be accepted. The most recent submissions appear higher in the list.
